THE HOLY CONSPIRACY

A Novel About the Lost Years of Jesus

by KRISTI SAARE DUARTE

About the Novel

What if Jesus was just an ordinary boy searching for enlightenment? Join young Yeshua on a riveting journey of self-discovery along the Silk Road. Born into a simple life as a carpenter's son in Galilee, Yeshua fantasizes about the impossible: to become a spiritual teacher. When a Buddhist pilgrim invites him along to a country called Sindh where anyone can become a monk, an irresistible portal of hope opens. Now Yeshua must choose between honoring his parents or selfishly embarking on a journey toward enlightenment. Inspired by the most authentic ancient scriptures, Duarte's award-winning novel re-imagines Jesus's epic life, and in particular the eighteen years not mentioned in the Bible.
